Annual Report

Train up a child in the way he should go: and when he is old, he will not depart from it.
Proverbs 22:6

From the Executive Director's DESK

Dear supporters of PLANT, INC.,

Thank you to all of you who have supported PLANT, Inc. in some way or another over the past three years as we have journeyed in obedience to develop an alternative model of education. Many of you are friends or family who have provided support to me personally, others of you have caught the vision and been dedicated to the mission - for both I am eternally grateful.

As you survey this, our first annual report, you will see that we experienced tremendous growth in our first two years, so much so, that in 2018 we had to take steps to evaluate our progress and prepare for our future. During this time we adopted technological tools to better deliver services, solidified our team and clarified roles and responsibilities, re-structured our pricing policy, and most importantly adopted revised policies and procedures to more clearly define who we are and where we are going.

While this report looks backward at our achievements over the past three years, we are looking forward to even greater success. In fact, our 2019 registration numbers already exceed the 2018 numbers and it is only July! We have established our SEED scholarship fund and are looking forward to making our first awards in August 2019. This fund is a way that you can directly benefit students by helping more students to participate in our unique learning opportunities taught by God-fearing men and women.

I thank you for prayerfully considering supporting or continuing to support our efforts.

Gratefully yours,

Mona Koerner
Executive Director

The older I grow, the more I am convinced that there is no education which one can get from books and costly apparatus that is equal to that which can be gotten from contact with great men and women.

GOD HAS GRANTED PARENTS WITH THE AUTHORITY TO TRAIN CHILDREN

Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts. Impress them on your children.
Deuteronomy 6:5-7a

PARENTS SHOULD PLAY THE PRIMARY DECISION- MAKING ROLE IN THEIR CHILDREN'S EDUCATION

Assemble the people before me to hear my words so that they may learn to revere me as long as they live in the land and may teach them to their children.
Deuteronomy 4:10b

PLANT, INC. FINANCIAL COMMENTS

1. 2016 Director salary was unsustainable and has not been paid. The Director resigned and has been serving on a volunteer basis.
2. 2017 Implementation of Annual Student Fees hurt registrations and was eliminated in 2018
3. 2017 Rent was renegotiated to be more manageable.
4. Donations fell off in 2018 but are a very important revenue source. Our early success shows their important role.
