

Everything You Need to Know Before Attending *Say It With Class*

1. As much as possible, classes start and end on time. Please help your students to arrive prior to class beginning.
2. New parents are required to attend the first hour of first class with their students (unless parent has made other arrangements with Miss Nancy). Reasons for this requirement: a) so teacher can see what parents go with which students, b) so you can see how teacher interacts with your students, and c) so teacher can give speak to parents directly and give opportunity for questions. Younger siblings are welcome.
3. Students should bring notebook and writing instrument to each class all semester.
4. Contest each week for best dressed male and female, beginning on week two. Miss Nancy will explain on the first day so students have a clear understanding of what “best” means.
5. Whether or not you participate in the contest, dress is casual, comfortable and modest. Please no bare bellies, cleavage, or tight clothing, short dresses or shorts, or extra baggy clothing.
6. Bottled water in class is okay, but no food. Eating is in the Ice Cream room only.
7. Parents are always welcome to stay to quietly observe class. Please keep younger siblings quiet so as not to distract the students.
8. Schedule of lessons and days we meet for the semester will be sent by email to parents, and hard copies given to students on the first day.
